On the last day of camp (Friday) We invite all family and friends for our end of camp ice show and hockey demonstration at 11:00am. We will also have an awards presentation following this event.

Hockey Demo and End of Week Show

Each week skaters will either be working on hockey skills for a demonstration or a show program for a performance on Friday for friends and family. This show will start at 11am on the Friday of each camp week. Each week will have a different theme for the end of the week show. All costumes will be something that each skater will find at home.

This is a great way to jump start your skater's interest in either hockey or figure skating. There are other aspects to skating other than just learning skating skills. This camp is designed to incorporate all the other aspects of hockey and figure skating such as learning the game and show performances.

Off Ice Activities and Lunch

Skaters will be asked to wear tennis shoes everyday for camp. We will be doing off ice stretching and warm up drills in the morning before we skate. Lunch is included and a menu for the week will be sent to your house before camp. Please fill it out and send it back prior to the first day.
